Autumn Term 2026

A Message from Mrs. Askew

Hello everyone,

We hope you and your families have had a positive start to the school year.

It has been lovely to see the children settling into their new classes, building relationships with their teachers and making progress in their learning. We know that transitions can sometimes feel challenging, and we are incredibly proud of how well our pupils have adapted to their new routines.

Learning Plan Reviews

We hope that all parents and carers who attended a **Learning Plan Review Meeting** recently found the meetings useful and informative.

These meetings provided an opportunity to:

☑ Celebrate your child's progress and achievements

☑ Review how your child has settled into their class and is engaging with learning

☑ Discuss any successes, concerns or important updates from home and school

☑ Review current support strategies and provision
