

Maths

- **Geometry: properties of shapes**
- **Consolidation for SATs preparation.**
- **Consolidation, investigations and preparation For KS3**

Religious Education

Ideas about God

To understand the nature of God, His characteristics and His relationship with people.

Key Questions

- What words would you use to describe God?
- What is the nature and character of God? What images do you have of God?
- How is it possible for God to be visible and yet invisible?
- Where is God? How old is God?
- What is God's name? What makes God happy? What makes God sad?
- What does God do all day?
- Does God really know everything? How do you know?

ART- Sculpture: Making memories

The children will create expressive sculptures and reflect on artistic decisions. They will learn to represent memories through art, using various materials and techniques, and develop skills in planning, creating, and evaluating 3D sculptures. The children will also start to create a memory box to represent their time at Christ Church; please save any shoe boxes ready for this project. Thank you!

Science - How do I keep my body healthy? We will...

- **Recognise the impact of diet, exercise, drugs and lifestyle on the way our bodies function.**
- **Describe the ways in which nutrients and water are transported within animals, including humans.**

Year 6's Big Picture

Summer 1 - How different was the Mayan civilization to the Anglo- Saxon civilization?

Year 6 are learning to....

PSHE - Being my Best

We will think about Aspirations and Goal Setting; Managing Risk and Looking After our Mental Health.

French - classroom equipment

Physical Education: Athletics

English

Rain player by David Wisniewski

The children will be reading the fictional narrative 'The Rain Player' as well as referring to the non-fiction information within History in Infographics: The Maya. The children will use the information they have learned to write instructions for pok-a-tok, posters, a missing scene, newspaper reports, conduct debates and write analytical essays.

We will also be carrying on practicing our SPAG skills and developing our reading comprehension skills ready for our SATs tests in May.

History

Mayan Civilization

The children will work as world history detectives to answer the following enquiry questions:

- **Why do we study the Maya in history?**
- **How did the Maya manage to become so important?**
- **What was everyday life in Mayan civilization?**
- **Why did the Mayan empire decline?**
- **How can we know what was life like for the Mayan people 1000 years ago?**

Computing: 3D Modelling

Homework will continue to be sent home focusing on SAT's revision. Thank you for all your support with your child's learning; it is much appreciated. This is a busy half term for the children and with your help we aim to make it as fun and calm as possible!
