

English

Our work in English will centre around the text FarTHER by Grahame Baker Smith. This text will be used as model for our writing where we will be focussing on both fiction and non-fiction and various grammar skills including inverted commas, paragraphs and complex sentences.

P.S.H.E

Being My Best

We're learning to set goals and develop positive strategies to help us achieve our potential, through a growth mindset approach. We will also consider ways to keep ourselves fit, healthy and how we can get enough sleep.

Maths

Our main areas of learning this half term will be: fractions, decimals and money.

The children will also continue to need to learn their times table facts (up to 12x12).

Science

Solids, Liquids and Gases

We will continue to look at grouping materials together according to whether they are solid, liquid or gas. We will observe how some materials change state when they are heated or cooled and we will investigate evaporation and condensation in the water cycle.

Welcome to Year 4!

Summer Term 1 2026

Geography

What are rivers and how are they used?

We will be looking at the features and courses of rivers. We will also consider where in the world some major rivers exist and will look at the different ways that rivers are used.

French

We will use our dictionary skills to develop our animal vocabulary and habitat names, building sentences and completing food chains to apply this vocabulary in writing.

Physical Education

Mr Parsons will teach P.E. on Monday (rugby skills) and Mrs Johnson will teach athletics on Tuesday afternoons

Computing

In this unit, we will develop our understanding of how digital images can be changed and edited, and how they can then be resaved and reused. We will consider the impact that editing images can have, and evaluate the effectiveness of our choices.

Art

Craft and Design

We will be looking at the fabric of nature and generating ideas from a range of natural stimuli.

Religious Education

How do other Faiths pray?

The aim of this topic is to give children the opportunity to reflect upon the importance of prayer in the lives of people of different faiths.

We will think and learn about how, where and when people pray.
