

ENGLISH

We are having a big focus this half term on sentence structure. We are thinking about what does and doesn't make a sentence, what we need in a sentence and how we can improve sentences.

We will also be practising our handwriting (beginning to use joins where appropriate), grammar and punctuation skills and spellings in our dedicated weekly sessions.

SCIENCE

Materials

- Identify and compare materials.
- Find out how the shape of materials can be changed.

DESIGN AND TECHNOLOGY

Fairground wheel

We will:

- Follow a design brief.
- Plan, build and evaluate our own simple fairground wheels.

R.E.

We will go on a quest to answer the question:

'Why do people of faith have special places/buildings?'

We will try to discover:

- (a) Why people of faith gather in special/holy places.
- (b) What happens in special/holy buildings.

Year 2

Summer 1:

Significant People

P.E.

Monday (Mrs Johnson): Our unit this half term is Striking and Fielding.

Wednesday (Mrs Askew): Our unit this half term is Athletics.

PSHE

Our unit this half term will be 'Being My Best'.

MATHS

This half term we will have a big focus on developing arithmetic and reasoning skills, applying what we have learnt already this year.

You could support this learning at home by:

- Totalling up to 5 coins up to £1 or totalling 2 coins and working out change from 50p or £1.
- Telling the time to the nearest 5 minutes (e.g. quarter to five, ten minutes past seven).
- Practising adding and subtracting in different ways (in their head / on paper) depending on the size of the numbers (no bigger than two digits).
- Counting forwards and backwards (within 100) in steps of 2s, 5s, 10s and 3s.

HISTORY

- We will find out about the lives of significant people in our world.

COMPUTING

Digital Music

We will use an online program to create our own digital music.
