Parent View Questionnaire:

We have today sent a link, via Parentmail, to an online questionnaire seeking your views about our school.

It is important for us to gather your thoughts and feelings about Christ Church. Information gained feeds directly into our school improvement planning and helps us to improve things in the future. Questionnaires should be completed by Friday 30th January.

If any parent would prefer to complete a paper version then please call into the office for a copy.

Thank you.

Parents Evening:

This term's parents evening will be held on **Thursday 12th February**. As you will recall from the Autumn Term meeting, we operate an online booking system for appointments. This is done through ParentMail – we will advise you in due course when this goes 'live' enabling appointments to be made.

Year 4 Celebration Assembly:

It is always great to share good work and celebrate success. We would love to invite parents to the Year 4 work share this half term on **Friday 13th February at 2.45pm**.

Advance Notice - School Disco – Can you Help?:

The Friends of Christ Church School have organised a school disco on **Friday 6th February**. Are you able to spare a couple of hours that evening to help out? If so, please let Mrs Sarah Robinson know in the school office. **We will let you know when tickets are available.**

Together we learn; achieve and grow in the light of Christ.

A Message from Colne Junior Council:

Cans for Cash Appeal:

Did you know that Pendle has the highest rate of child food poverty in the country?

Colne Junior Council - which is made up of school councillors from 5 primary schools in Colne (Christ Church, Trawden Forest, West Street, Park Primary and Primet Primary) have been set a challenge to convert aluminium cans into cash.

They will do this by collecting and re-selling aluminium drinks cans for scrap.

In doing so they will not only help the planet but also others in Colne. For every tonne in weight they collect we can earn £550. We will then give the cash to Colne Open Door Centre who in turn will help others in our community.

The more cans we collect, the more money we will raise!

Please collect, crush and send into school your aluminum drinks cans to help us with our year long challenge! Thank you.
