Together we learn; achieve and grow in the light of Christ.

A Message from Colne Junior Council:

Cans for Cash Appeal:

Did you know that Pendle has the highest rate of child food poverty in the country?

Colne Junior Council - which is made up of school councillors from 5 primary schools in Colne (Christ Church, Trawden Forest, West Street, Park Primary and Primet Primary) have been set a challenge to convert aluminium cans into cash.

They will do this by collecting and re-selling aluminium drinks cans for scrap.

In doing so they will not only help the planet but also others in Colne. For every tonne in weight they collect we can earn £550. We will then give the cash to Colne Open Door Centre who in turn will help others in our community.

The more cans we collect, the more money we will raise!

Please collect, **crush** and send into school your aluminium drinks cans to help us with our year long challenge! Thank you.

Cans for Cash
