Assessment Week:

Next week is assessment week. Children In Y1 will complete the phonics screening check; Y4 children will undertake the Multiplication Tables check; and all other year groups (with the exception of Reception, Year 2 and Year 6) will undertake assessment activities.

Reception Class Celebration Assembly

Reception Class parents are invited to come along to school on **Friday 3rd July** at **2.45pm** to find out about all that the class have been learning in their special work share assembly.

Year 2 Celebration Assembly

Year 2 parents are invited into school on **Friday 10th July** at **2.45pm** to find out all that they have been learning.

Big Picture

Your child has today come home with a copy of the 'Big Picture' outlining learning plans for this half term.

Y6 Swimming Lessons:

Swimming lessons for Year 6 **will commence next Tuesday (9th June)**. Please ensure your child brings their swimming kit to school.

Worship:

This half term in our worship we will explore the early church – building God's kingdom on earth (this will include stories about Stephen, Philip and the conversion of Saul). Reverend Andy and David will continue to look at parables Jesus told. In class led worship we will explore the Christian value Responsibility. Details and activities to explore responsibility can be found on the school website (select the 'Parents' tab then 'worship' from the drop down menu).

Online Safety:

Please find attached this months online safety newsletter. Topics include: Pintrest; online scams; digital footprints; risks of Auto Saving; emoji meanings and Omoggle. Please take a moment to have a look.

Together we learn; achieve and grow in the light of Christ.

A Message from Mrs Askew – Fidget Toys:

We are writing to inform you of an important update regarding fidget toys in school. From Monday, children should **not** bring fidget toys in from home. This decision follows recent guidance from Lancashire County Council Health & Safety Team, who has raised concerns that some of these items may be poorly manufactured, contain loose parts, or be made from materials that may not be safe.

Additionally, we have found that fidget toys brought from home are not always used as intended, which can lead to distraction in lessons and, at times, unsafe use. Please be reassured that school already has a range of appropriate, safe fidget resources available. These are provided for children who have been identified as benefiting from their use as part of their support in class, and are carefully monitored by staff.

If a child brings a fidget toy into school, it will be confiscated and stored safely, and can be collected from the school office at the end of the day.

We appreciate your understanding and support in helping us to keep all children safe while ensuring that appropriate resources are available for those who need them. Thank you for your continued support.

Water Safety:

Following recent tragedies please find attached information, that has been issued by Lancashire County Council, about keeping safe when around water out of school.

Thursday 15th June 2026 - Understanding anxiety at 12:30pm and 5:30pm .

We would like to invite parents/carers of young people to a 1/2 hour, information session which explores anxiety -

The session explores :

- To gain an understanding of the support provided by the Mental Health Support Team (MHST).
- To identify possible signs and symptoms of worry in children and young people.
- To learn strategies to support your child if/when they are experiencing worry.
- To recognise when and know how to request specialist support for your child.

Parents are welcome to ask questions or share any tips or strategies that they find beneficial in supporting their child.
